# CE EG – Certificate of conformity

---

The supplier to NENKO has provided information declaring that this product has been designed and is built in accordance with CE requirements.

**Product**      Corner Module Musical Waterbed

**Code**          MOD10

## Directive

This document concerns the CE certificate for the Corner Module Musical Waterbed. This certificate has been carefully compiled based on the relevant directives applicable to the individual components within the system. Each component has been assessed with regard to safety, health, environmental impact, and performance, in accordance with applicable European regulations. This ensures that the complete system complies with the required standards and can be safely used within the European Economic Area.
