

1. Name of the product

Soft Massage Cushion

2. Product code

16801840

3. Short description

This vibrating pillow is made of a soft tactile fabric. The pillow has two different massage levels, which are perfect for sensory stimulation. The cover is not designed to be removed, as there is no inner cover for the fillings. Therefore we only advice customers, if the outside surface is very dirty then wipe with damp cloth or mild detergent, without removing the cover. Leave to air dry. Not to completely soak the cushion in water. This cushion is not suitable for sitting on.

Colours vary. 2 AA batteries (excl.)

4. Sensory stimulations

Feel

5. Technical information

Size: 30cm

Gewicht: 750g (Approx)

Material: 100% Polyester

6. Content

1 x Soft Massage Cushion

Required: 2x AA Batteries

7. Safety

- This product is not a toy. Should only be used under adult supervision.
- Any child or adult with special needs should consult with a medical professional before using a massaging device.

Safety Warnings:

- Before using, ensure the product is not damaged. If any part of the product is damaged, do not attempt to use.
- This is not a toy. Contains small parts, potentially may cause choking hazard. Children must **ALWAYS** be supervised by a competent adult.
- Keep away from heat sources or naked flame.

8. Instructions

1. Before you start, please read these instructions carefully and retain for future reference.
2. To insert batteries, locate the zip on the outside of the cushion.
3. Inside there will be a battery compartment. Inset 2 x AA batteries, ensuring the polarity are correct way around. DO NOT pull on the battery compartment, as this can cause damage and loose connection.
4. Place the battery compartment back inside and close the zip.
5. To turn the vibration on/off, press the ON/OFF round soft button found on the cushion.

9. Cleaning

- Surface wipe only.
- Do not use harsh cleaning detergents.
- Do not submerge in water.
- Do not place in the washing machine or tumble dryer.
