

## 1. Name of the product

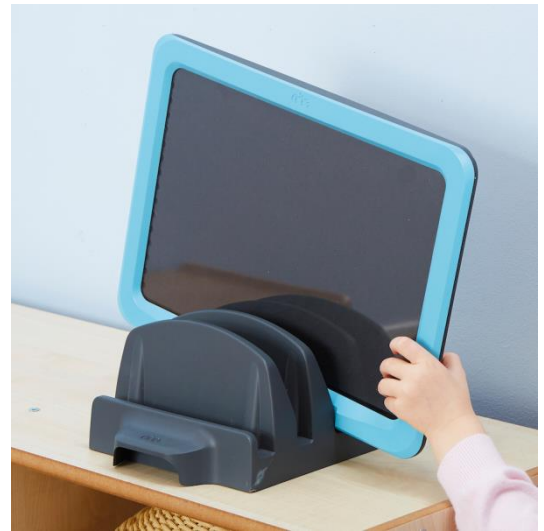

4 Illuminated mark making boards with 8 markers

## 2. Product code

18666431

## 3. Colour

As pictured

## 4. Short description

Engage and enjoy with this set of four glowing writing surfaces and charging station.

Select a board from the docking station and switch to a chosen color. Engage and support reluctant students, capture findings, be creative, and see your designs shine. There are seven color options and an auto-scroll option. Just press the button to discover different effects. A charging time of four hours ensures 10-12 hours of continuous use.

Use with all dry erasable pens, but we recommend fluorescent pens for added effect. The markers are an economical option. Please note that some chalk markers need to be pumped before use in order to draw ink. Simply wipe the plates with a damp cloth after use to get them ready to write again. Supplied with a 5V 1A international adapter.

Wipe clean with a damp cloth. Do not immerse in water.
