

1. name of the product

Sound Bingo - Musical Instruments

2. Product code

19731420

3. Colour

As illustrated

4. Short description

A nice game, to improve the listening skills. After hearing a sound, the player must place a chip on the corresponding photo. This game is made to learn to link 25 musical instruments to the correct names. Be the first to try to match all musical instruments with the matching names and BINGO! These bingo sounds are on an AUDIO MP3 CD, this can only be played by a radio with an MP3 function

5. Content

- 25 x cards
- 150 x fiches
- 1 x CD
- 1 x instructions

6. Sensory stimulations

See and hear.

7. Instructions

Step 1: Lay the 25 cards with photos with the side up with one image (animal or natural phenomenon), arranged in order as indicated in the attached description.

Step 2: With the audio MP3 CD you can use the track in the language you want to play with (tracks 1 to 14).

Step 3: Then try to link all music sounds to the matching names.

Step 4: Will this work? BINGO!

8. Additional information

- These bingo sounds are on an AUDIO MP3 CD, which can only be played by a radio with an MP3 function
