4. Description

See here one of Nenko's cutest cuddles, namely a Warmies Dog Microwave Cuddly toy! Meet the Dog and spend hours with each other, which are guaranteed to fly by. With her soft coat and fun appearance, the dog provides distraction and peace of mind to the user.

5. Commissioning

Use as a Heat Cuddly Toy

1. The Dog is a perfect replacement for a hot water bottle, to completely relax.
2. When used as a Heat Cuddly Toy, we recommend placing the dog in the microwave for 2 minutes. The cuddly toy now feels nice and warm and smells like lavender!

Use as a Cold Hug

1. In addition, the cuddly toy can also be used cold.
2. Do this by putting the cuddly toy in the freezer for 3 hours, in a plastic bag.
3. The cuddly toy is now nice and cold, so that the user can completely relax.
4. Do you have sore spots or fever? This dog is an ideal solution.

This Warmies cuddly toy is also slightly weighted, creating a pleasant feeling with holding. For example, place the cuddly toy in your elbow, to completely relax!

6. Sensory stimulations
