Eendoostaak Sorting cards - clothespins

2. Product code

21841846

3. Colour

As illustrated

4. Short description

Tasks that are made within the framework of a plastic box. The tasks have a clear beginning and a closed end. The material is uniform, durable, safe and hygienic. The one-task-boxes are specifically designed for children / young adults with autism and are aimed at development and learning. Adults and older people with a lower mental level can perform the tasks to maintain skills or as a relaxing activity.

5. Contents

This task contains 10 cards and 10 clothespins.

6. Safety

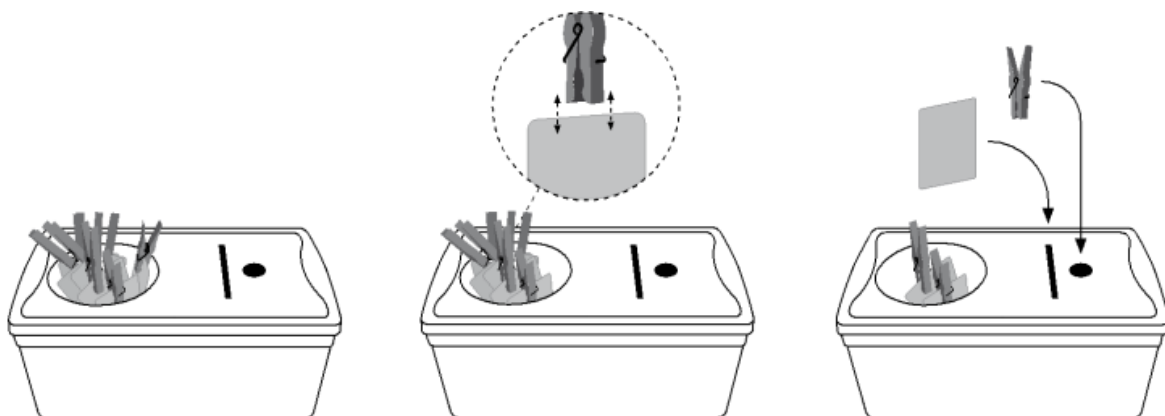

This product should be made under guided/adult supervision at all times. Because of the small parts, it is not suitable for children under 3 years of age.

7. Product materials

Plastic box (33x19x12.5 lwxh) provided with a plastic container, plastic cards and clothespins with metal springs.

8. Assembly

No assembly needed. The game materials are not suited for disassembly.

9. Usage

In this task, the clothespin needs to be removed from the card. There is a gap for both items to check them in. Several actions therefore need to be performed with 2 hands, requiring the task performer to maintain focus in order to complete the task.

Game end

The game ends when all cards and clothespins have been checked in.
