

## 1. Name of the product

Weighted blanket - Manta (2,9 kg)

## 2. Product code

49293872

## 3. Color

As shown

## 4. Short description

Manta the Stingray is specially designed for people who often suffer from physical stress or restlessness. The weighted blanket can help to calm the body in stressful situations. The weighting of the blanket in combination with its beautiful appearance provides relief, calmness and security for people with irritability, tension and sleep problems. Children, adults and also elderly people with dementia can benefit from the use of this weighted blanket.

## 5. How to use

1. Manta the ray is a 2,9 kg weighted blanket, which you can place on top of the user's body, put the wings against the body and the eyes on the shoulders and relax.
2. It is possible to use the weighted blanket as an aid to sleep, but it can also create a "weighted cuddle" feeling.
3. The weighted Stingray is also easy to use as a lap pillow, to help de-stress the user during the day.
4. In addition, the fur of the Manta has small, super soft nubs, which will stimulate the tactile sense when the stingray is stroked.

## 6. Sensory stimulations

Touch, proprioceptive

## 7. Technical information

Dimensions: 59 x 53 x 4 cm
