4. Description

Learning to write starts with a good pencil and pen grip. In order to learn to write fluently and easily, it is important that the pencil or pen is held in the right way.

This blue Elliegrip is a funny, challenging sock that helps you learn to hold writing materials in the right way. Pull the sock over your hand and put your thumb and index finger in the two openings, the rest of the fingers can stay in the sock. This Elephant sock is for right-handers, but it is of course also available for left-handers.
