

## 1. Name of the product

Projector - Ruby the rabbit

## 2. Product code

53033820

## 3. Colour

As illustrated

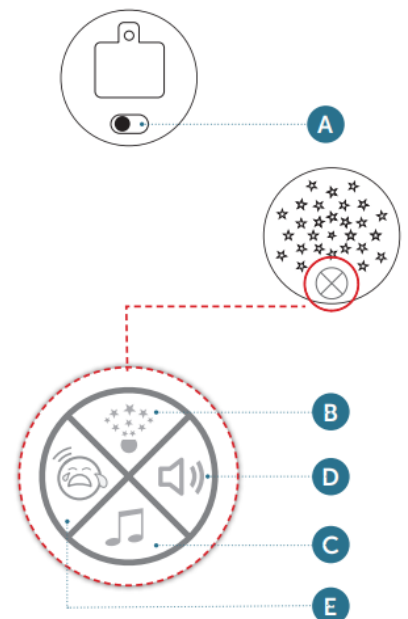

## 4. Short description

Sweet and soft Ruby.... She has a dazzling voice and her light is so soothing! Project stars and moon on the ceiling in different colours, while listening to soothing sounds: heartbeat, nature sound or lounge music.

## 5. How to use?

Take the module out of the plush and place 3x AA batteries (not included). Put the module back into the plush. Open the Velcro, on the bottom, to operate the buttons.

- A. Set the ON/OFF SWITCH A into the ON position. Put the projection module back.
- B. B Star Projection: Press BUTTON B to start the projection. Press more times to switch between colours. The projector will switch off automatically after 30 min.
- C. Melodies: Press BUTTON C to start playing the music. Press several times to switch between melodies. The sound will switch off after 15 min.
- D. Volume: Press BUTTON D 1 or 2 times (loud-soft).
- E. Cry sensor ON/OFF
  - To switch ON/OFF press BUTTON E for 3 sec.
  - ON A green light will flicker for a few sec. If your baby starts crying, the last played song will automatically switch back on. Cry sensor will stay active for 12 hours.
  - OFF An orange light will flicker for a few sec.

*Note The sensitivity of the sensor will be influenced by distance and by objects in between sensor and baby.*
