

1. Name of the product

Projector - Shally the sparrow

2. Product code

53034820

3. Colour

As illustrated

4. Short description

Shally has a beautiful voice and loves to sing and her light is so soothing! Turn your little one's room into a beautiful sunset sky with birds flying around the room, while listening to relaxing African sounds.

5. How to use?

Take the module out of the plush and place 3x AA batteries (not included). Put the module back into the plush. Open the Velcro, on the bottom, to operate the buttons. Only use alkaline batteries, no zinc carbon.

A Switch on the product by pressing the big **BUTTON A**

B Choose your favourite melodie with **SLIDER B**.

OFF: No music

- 1 African sunset music
- 2 Lullabies
- 3 Heartbeat

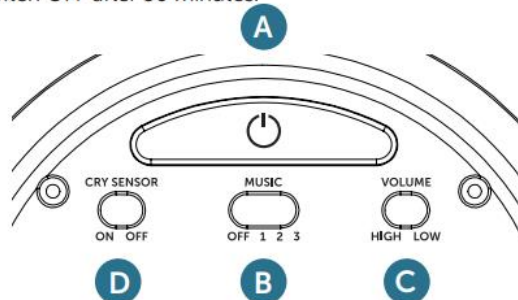

C Set the preferred volume: high-low, **SLIDER C**

D Switch the cry sensor ON/OFF, **SLIDER D**

when the cry sensor is activated, the sleep program will restart from phase 2, to calm down and settle your baby.

Note Cry sensor stays active for 12 hours.

Auto-off: the entire 3 step sleep program will automatically switch OFF after 30 minutes.

3 STEP-SLEEP PROGRAM

Tim will calm and sooth your baby to sleep with the unique 3 step sleep program. The total program takes 30 minutes and will automatically switch off.

STEP 1 Calming your child

Follow the birds flying around the room, while listening to soothing african sunset music.

STEP 2 Getting sleepy

Lower brightness, the sun has set and there are fewer birds. Music changes to more calm african sunset music.

STEP 3 Falling asleep

No more movements
No sound.

For the best projection, locate the product within 1 to 2.5 meters from the walls and ceiling. When batteries lose their power, the projection decreases, and the product might lose some of the features.
