

1. Product

Octo Pad

2. Product Code

59246872

3. Colour

As illustrated

4. Sensory Stimulations

Touch, sight, proprioception

5. Description

Whether your kids like the soft furry face, smooth eyes, tactile tentacles, springy hair or just the weighted feel of the pad, this is surely the lap pad that will have your kids sitting. The weighted feel of this Octo Pad provides a calming effect on children with autism, sensory processing disorder and other neurological diseases. In addition, this great little pad vibrates with just the pull of a string! Made of felt.

Size: 34 x 60 cm. Weight: 1,2 kg.

6. Care

Wipe clean with a damp cloth.

7. Safety

OctoPad is made of a fleece fabric with a beanbag (pvc pellets) border, weight totaling 2 lbs 12 oz. OctoPad contains well sewn on small parts, but still may be considered a choking hazard for young children.
